TARGET ROLE

Japanese Customer Support Agent

Customer Service / Bilingual Support

PROFESSIONAL PROFILE

JLPT N2-certified Japanese speaker with one year of Japanese-language customer support experience and six years of professional work experience in Japan. Brings practical Japanese communication skills, strong familiarity with Japanese workplace culture, and a service-focused background from the food and hospitality industry. Seeking a Japanese Customer Support Agent role where clear communication, patience, reliability, and customer care are valued.

PROFESSIONAL EXPERIENCE

Japanese Customer Support Agent

Customer Support | 1 year

- Provided customer assistance using Japanese and handled inquiries in a clear, respectful, and service-oriented manner.
- Helped address customer concerns, explain information, and support issue resolution.
- Applied Japanese communication skills and cultural awareness when interacting with customers.

Cook - Food Industry

Japan | 4 years

- Worked in a professional food-service environment in Japan and followed workplace, hygiene, and quality standards.
- Coordinated with team members in a fast-paced environment while maintaining accuracy and consistency.
- Developed strong familiarity with Japanese workplace expectations, communication, punctuality, and teamwork.

Food Processing Worker

Japan | 2 years

- Performed food-processing duties while following production, cleanliness, safety, and quality procedures.
- Maintained attention to detail and consistent output in a structured Japanese work environment.
